

The American Academy of Pediatrics acknowledges
that parents who delay or refuse vaccines
tend to be highly educated
and knowledgeable about vaccines.
What do they know?

MARCH 3, 2018

2pm- 5pm • Discovery Hall 061
University of Washington, Bothell Campus

FEATURING:

Ben Lynch, ND (Bastyr), BS Molecular Biology (University of Washington)
Theresa Deisher, PhD Molecular and Cellular Physiology (Stanford)

Genes & Vaccines

Dirty genes? Mutations? Fetal DNA?
What impact do vaccines have on your genes?

Future of Immunity Lecture Series: Vaccine Safety
